

University of Stuttgart
Germany

The Department of English at Stuttgart University, is seeking to fill two positions of a

Wissenschaftliche/r Mitarbeiter/in (Doctoral Research and Teaching Assistant)
(Pay Group 13 TV-L, 50%)

The position is limited to three years. The envisaged starting date is 01 April 2019.

The successful candidates are expected to

- conduct independent research in the field of English literatures (PhD-project)
- teach one course per semester within the department
- participate in research projects at the Department of English Literatures
- support the department in the organization of academic events (conferences, workshops) and in administrative duties

Requirements

- outstanding MA-/Diploma-dissertation in the field of English Literatures
- PhD-project in English literary studies
- Excellent language skills in English and very good language skills in German
- Willingness to engage actively in research projects within the department
- Readiness to assist in administrative duties
- Excellent communication skills as well as proven organisational skills
- Interests in research in the area of cognitive literary studies are desirable

For more information about the position, please contact Prof Dr Sibylle Baumbach, sibylle.baumbach@ilw.uni-stuttgart.de.

Please email your application (as one single pdf-file) to nel@ilw.uni-stuttgart.de by **December 19, 2018**. In your application, please include the reference number **2018/WM2**.

The single pdf-file should include the following documents: cover letter including a short description of the candidate's research interests, CV, copies of certificates and transcripts (A-levels, BA-/MA-certificates), an abstract of the MA-thesis (or equivalent), an outline of the proposed PhD-project (approx. 5-7 pages), and, if applicable, lists of publications and teaching experiences. In a separate file, please also submit a pdf-document of your MA-thesis (or equivalent).

The University of Stuttgart aims at increasing the number of women in academia. Therefore, women are particularly encouraged to apply. Applications of severely disabled candidates with equivalent qualifications will be given priority. The pay scale grouping will be determined by the university's central administration.
