# Born Digital: Learn more about Digital Narratives and a new collaboration between Stuttgart and Bergen!

- Are you an **MA- / MEd-, or PhD-student** in Digital Culture, English literature, Comparative Literature, Digital Humanities, or Literary Posthumanism?
- Are you interested in **digital narratives**?
- Would you like to learn more about digital narratives and about **spending a semester (5 months) and/or do research (3-5 months)** at the **University of Bergen**?

Join us for an online lecture on **“Let’s Build A City: The Encyclopedia Project as Essential Work”** by **Dr Hannah Maria Leontine Ackermans**, and further information on the exchange as well as on the *Living Encycloaedia of Digital Narrative*, which will be jointly established by the universities of Bergen and Stuttgart – and to which you can contribute!

When? **Monday, 05 February, 10-12**

Where? <https://unistuttgart.webex.com/meet/sibylle.baumbach>

## All welcome!
